

THE NEW STANDARD IN INSTRUCTIONS

# BUILD A BETTER ASSEMBLY EXPERIENCE.

Your product deserves more than a paper manual. We turn complex assembly into a clear, interactive 3D experience.

ILLUSTRATIVE GRILL MODEL

4K 3D VIDEO

CHAPTERS

QR + ANALYTICS

EXAMPLE PRODUCT: OUTDOOR BARBECUE

An assembly manual with a different mission: show what Setup Videos can do for your brand.

## SAFETY INFORMATION

# Clarity is a safety feature.

When instructions are hard to follow, important details get missed. Setup Videos helps your customers see what matters, at the moment it matters.

### IMPORTANT: HELP CUSTOMERS GET IT RIGHT

Clear visuals can reduce guesswork, improve confidence, and make complicated product instructions easier to understand.

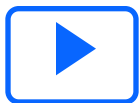

### 01 SHOW EVERY STEP

Close-ups and 3D movement make hard-to-describe assemblies easier to understand than static diagrams alone.

### 02 HIGHLIGHT CRITICAL MOMENTS

Clear voiceover, captions, and visual callouts keep key details front and center for every viewer.

### 03 MAKE HELP EASY TO FIND

A scannable QR code opens an interactive player with chapters, replay controls, and quick access to guidance.

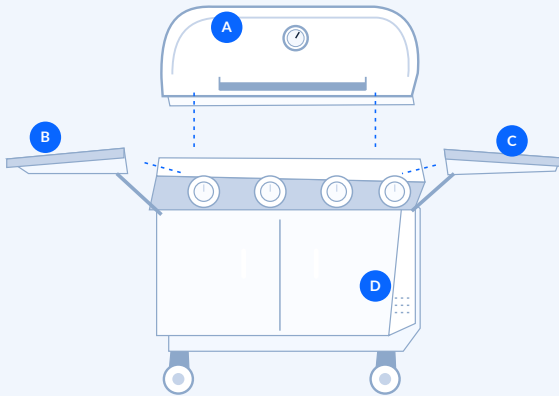

**DEMO NOTE** This brochure showcases Setup Videos services; it is not an actual barbecue assembly or gas-safety manual. Follow the manufacturer's product instructions.

## PARTS LIST / WHAT IS INCLUDED

# One order. A complete toolkit.

Think of each deliverable as a piece of the finished customer experience - created to work together across your website, packaging, and support channels.

## EXPLODED PRODUCT REFERENCE

## THE REAL "PARTS"

Not screws and brackets.  
Visual assets that help customers assemble, install, understand, and enjoy your product.

DIGITAL DELIVERY

### 4K ASSEMBLY VIDEO

Smooth 3D animation, showing every move with clarity.

### VOICEOVER + CAPTIONS

Professional narration and accessible on-screen text.

### PHOTOREALISTIC RENDERS

Marketing-ready visuals from compelling viewpoints.

### INTERACTIVE 3D / AR

Let viewers inspect, rotate, and explore a model.

### BRANDED VIDEO PLAYER

Chapters and controls for step-by-step viewing.

### QR CODES + ANALYTICS

Instant access and insights into video engagement.

### MANUAL FLIPBOOK

A convenient digital, magazine-style manual.

### WEBSITE-READY SHARING

Easy video and player embedding across channels.

## ASSEMBLY STEPS / OUR PROCESS

# Four steps to something better.

We make the production process as straightforward as the experience we create for your customers.

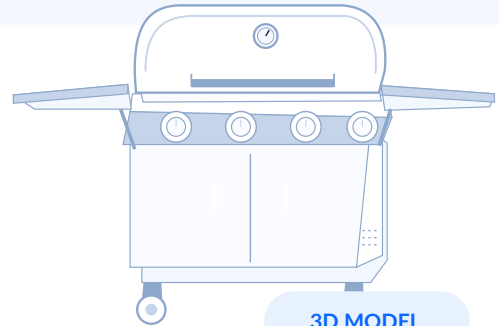

PDF / CAD

01

## SEND YOUR MANUAL

Share a manual, photos, CAD files, or sketches. We map the key actions.

3D MODEL

02

## WE BRING IT TO LIFE

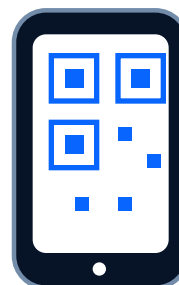

Our US-based team builds precise 3D scenes and clear instruction visuals.

03

## REVIEW THE DRAFT

Watch the draft, share feedback, and refine the experience together.

WEB

04

## DELIVER & PUBLISH

Receive shareable visuals and an interactive player for your audience.

THE END RESULT: CLEARER INSTRUCTIONS + BETTER CUSTOMER EXPERIENCES

CONTACT US / LET'S GET STARTED

# YOUR NEXT GREAT INSTRUCTION STARTS HERE.

Send us the product information you already have. We will help turn it into a professional, easy-to-follow visual experience your customers will love.

## START IN THREE SIMPLE MOVES

01

### SHARE

Your manual, product photos, CAD, or sketches

02

### SCOPE

Tell us what you want customers to learn

03

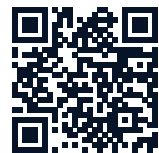

### CREATE

We will plan the right 3D solution for you
